## Who we are

We are the largest charity focussed on the wellbeing of Anglican clergy and their families.

We support thousands of households each year.

We offer support services and financial grants to help clergy thrive, in their lives and their ministry.

**We are independent, impartial and confidential.**

1 Dean Trench Street, London, SW1P 3HB  
Charity Registered in England and Wales  
Charity No. 207736

## What we do

We provide grants for unexpected expenses or the rising cost of living, such as energy bills, car repairs or new appliances.

We encourage a work/life balance for clergy, with grants for sabbaticals, retreats and holidays.

We offer free counselling and sleep therapy, for rest and peace of mind.

Explore the range of ways we support clergy families on our website.

## Why we do it

**Ministry is a calling, but it's not always easy.**

It can be hard to look after others, while also looking after ourselves. That's where we come in.

"Priests are often thought of as invincible, but being there for others all the time can be lonely."

"I'm grateful to have a friend in Clergy Support Trust."

**The Revd Azariah France-Williams**
